

We are a group of people who have come together from different backgrounds but have the same passion for dancing and IT. We know what dance groups & schools, non-profits and small businesses require to get their information on the web.

Matuti is a freelance service that provides a friendly, professional and customized design especially for *dance groups & schools, small businesses* and *non-profit organizations*.

We build high quality, excellent value, well-designed websites to best suit your needs, style and target audience.

We can design your website to your exact specifications or update your existing site.

Whether you want a basic website or a full web shop we will create a web design solution for you.
